Asperger Syndrome in the Family Redefining Normal: Redefining Normal Liane Holliday Willey

Liane Holliday Willey and one of her daughters both have Asperger Syndrome. In *Asperger Syndrome in the Family* she looks, with honesty, wisdom and humor, at the implications this has for her family, both the Aspie and the non-Aspie members. Through personal vignettes, frank discussions and practical suggestions for dealing with everything from major to minor Aspie challenges, Liane, her husband and their three daughters bravely open their home to their readers, inviting them to look behind the curtains at their version of Aspie life. Not only does the book underscore the importance of mutual support and respect in an Aspie family - in fact in any family - it offers practical help for families in similar situations. This is a rich and positive book that will speak to all those whose lives have been affected by Asperger Syndrome.
