Mark Peters

**Bullshit: A Lexicon** Mark Peters

**An irreverent lexicon of the seemingly infinite ways we call bullshit, written by a *McSweeney's* columnist and etymologist, illustrated by a *New Yorker*-contributing cartoonist.**

What's the difference between "balderdash" and "drivel"? Where did "mumbo-jumbo" come from? How should you use "meadow mayonnaise"? What's "felgercarb" and which popular TV show coined it?

There are hundreds of common and rare terms for bullshit in English, including borrowings from German, turn-of-the-century sailors, *The Simpsons*, and beyond. Bullshit is everywhere, but not all of it is created equal. Mark Peters's *Bullshit: A Lexicon* is the handy guide to identifying and calling BS in all of its many forms, from "bunk" and "claptrap" to "applesauce" and "gobbledygook." Packed with historical facts, pop culture tidbits, and definitions for each term, *Bullshit* is perfect for humor readers, language lovers, and anyone looking to describe life's everyday annoyances.

Just read this e-book type for your better life in addition to knowledge.

#### **Derek Clancy:**

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Bullshit: A Lexicon can make you sense more interested to read.
