## Butcher's Crossing (Spanish Edition) John Williams

Corren los años setenta del siglo XIX y el joven Will Andrews, recién graduado en la universidad de Harvard, decide dejar todo lo que una gran ciudad puede ofrecerle y emprender un viaje hacia el Oeste, donde espera encontrar un lazo de unión con la naturaleza. Ya de camino, Will recalca en un pequeño pueblo de Kansas llamado Butcher's Crossing, donde la única diversión es tomar copas con hombres que parecen haber perdido ya muchas batallas y acariciar mujeres cansadas de tanto traficar con el placer.

Todo parece tristemente anodino en ese pueblo tan alejado de las aventuras soñadas por Will, hasta que un buen día el muchacho traba amistad con Miller, un hombre maduro y cazador experimentado de búfalos. Miller y Andrews, acompañados de otros dos hombres, emprenden una aventura que los llevará a una pradera de ensueño, donde los animales abundan. Uno tras otro, los búfalos caen, pero el invierno acecha y la codicia de los hombres se cobrará su precio.

John Williams, que yadeslumbró con *Stoner*, nos sorprende ahora con un espléndido texto de iniciación donde vemos a un joven crecer bajo la atenta mirada de un maestro que conoce los resortes del alma.

«¿Una nueva novela que nos cuenta historias del lejano Oeste? No señores... Por fin un escritor ha usado los escenarios familiares del Western para hacer con ellos lo que toda buena ficción debería hacer: entregar al lector algo nuevo sobre su propia condición de hombre.» *Chicago Tribune*
