Collected Poems Marie Ponsot

Marie Ponsot's *Collected Poems* is the stunning lifework of the prizewinning poet, gathered in one volume: the world she has made of life's fire for sixty years. The present celebratory volume covers nearly all of her published work, from *True Minds* (1956), which was number five in the famous City Lights Pocket Poets series, through the 2009 *Easy*, her most recent collection; it also includes some new work, written in the years since. Here is the lyrical joy, the full range of Ponsot's gift for constructing the pleasures and pains of a riddle that the music and wit of her language solve just in the nick of time, in the "hand-span skill" that is the poem. In examining the powerful life of women, her poetry is as practical as it is profound. "Go to a wedding / as to a funeral," she advises us. "Bury the loss." (And adds: "Go to a funeral / as to a wedding: / marry the loss.") Notable in this collection is the astonishing accomplishment of Ponsot's sonnets: the traditional form in varieties we've never seen in one book before. Open these pages anywhere to experience "language as the primitive dialect of our human race," as she has described it—to gradually enter a state that is "what poetry hopes of us and for us: enraptured attention."

From the Hardcover edition.

From reader reviews:

Kristen Self:

What do you in relation to book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. They should answer that question mainly because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need this kind of Collected Poems to read.

Teresa Powers:

Reading can called head hangout, why? Because when you find yourself reading a book specifically book entitled Collected Poems the mind will drift away trough every dimension, wandering in every aspect that maybe mysterious for but surely can be your mind friends. Imaging each word written in a book then become one application form conclusion and explanation that maybe you never get prior to. The Collected Poems giving you yet another experience more than blown away the mind but also giving you useful facts for your better life in this era. So now let us teach you the relaxing pattern here is your body and mind are going to be pleased when you are finished looking at it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Melissa Peterson:

Collected Poems can be one of your basic books that are good idea. Most of us recommend that straight away because this book has good vocabulary that may increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The article author giving his/her effort that will put every word into pleasure arrangement in writing Collected Poems however doesn't forget the main stage, giving the reader the hottest along with based confirm resource details that maybe you can be certainly one of it. This great information may drawn you into brand new stage of crucial contemplating.

Lynn Gallagher:

What is your hobby? Have you heard that question when you got learners? We believe that that concern was given by teacher on their students. Many kinds of hobby, Every person has different hobby. So you know that little person similar to reading or as reading through become their hobby. You need to know that reading is very important and book as to be the matter. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You find good news or update regarding something by book. A substantial number of sorts of books that can you take to be your object. One of them is actually Collected Poems.
