Edge of Midnight (Police Chief Susan Wren Series) Charlene Weir

A heat wave has struck Hampstead, Kansas, and Susan Wren, police chief of the sweltering town, has a vile flu. She struggles to keep up with work piling on her desk, while also dealing with a troubled teenage girl, a delusional World War II veteran, and a rookie cop who needs to be fired before her enthusiasm and inexperience get someone killed. If this weren't enough to contend with, trouble from the outside world enters the small town.

Cary Black is new in Hampstead, hiding out from her abusive policeman husband, Mitch. The woman she was to stay with has disappeared, and Cary, not wanting to alert the police, assumes the woman's identity. Mitch will stop at nothing to recover his wife, but when he tries, he'll be on Police Chief Susan Wren's turf.

This seventh entry in the highly praised series is the most thrilling and suspenseful yet. Charlene Weir weaves an intricate tale and Susan Wren encounters every obstacle she meets with courage and resourcefulness.
