Puesta de sol (UP Cincomilnovecientos) (Spanish Edition) Martín Pachetta

“La vida está hecha de relatos y cada uno de ellos posee aristas que los hacen únicos y maravillosos. Para descubrirlas, solo hay que escuchar. Escuchar y dejarse sorprender. Las narraciones que integran la presente publicación están basadas en muchas de esas historias que en algún momento y por algún motivo llegan a sorprender. Las historias vividas y las historias presenciadas, las que tan solo han sido oídas y aquellas otras que simplemente han sido intuitas o vislumbradas, todas ellas convergen, se entremezclan, se fusionan. Las trampas del recuerdo, la incontrolable fuerza de las creencias, las insondables razones del amor, las asombrosas formas de la muerte, los incomprensibles infortunios del destino, la inevitable multiplicidad de los puntos de vista y la imposibilidad de atrapar la realidad son algunas de las líneas que en ellas se pueden encontrar. Son historias únicas, maravillosas, como la vida misma. Para descubrirlas, no basta con leer. Es necesario también dejarse sorprender.
