## **All You Need to Know About Feng Shui** Dr. Evelyn Lip

It has been said that the fortunes of men depend on how well their ancestors were buried and also on how well their homes and businesses were oriented, planned and organised. In *All You Need To Know About Feng Shui*, the author examines this widely practised art of divining the future and makes it accessible to the layman. This book offers a comprehensive overview of the ancient Chinese art of placement—it's principles, methods and mythical origins—and as well includes the assessment of many modern-day structures, such as the new Olympic Stadium (Beijing), the Esplanade Theatres on the Bay (Singapore) and the Swiss Re Headquarters (London).
