Imagining India: The Idea of a Renewed Nation Nandan Nilekani

A visionary look at the evolution and future of India

In this momentous book, Nandan Nilekani traces the central ideas that shaped India's past and present and asks the key question of the future: How will India as a global power avoid the mistakes of earlier development models? As a co-founder of Infosys, a global leader in information technology, Nilekani has actively participated in the company's rise during the past twenty-seven years. In *Imagining India*, he uses his global experience and understanding to discuss the future of India and its role as a global citizen and emerging economic giant. Nilekani engages with India's particular obstacles and opportunities, charting a new way forward for the young nation.
