The World in Canada: Diaspora, Demography, and Domestic Politics David Carment, David Bercuson

In response to these questions, contributors trace changes in Canada's demographic make-up, explore the relationship between domestic politics and Canadian foreign policy across the fields of diplomacy, development, defense and security, and immigration, and determine the extent to which Quebec's sensibilities to international issues differ from those of the rest of the country. The World in Canada argues that, under certain conditions, the motivation to pursue certain policy choices arises as much from domestic considerations as from the international conditions associated with them.
