Túneles 3: caída libre (Avalon) (Spanish Edition) Roderick Gordon

Cuando, en Profundidades, la segunda parte de la exitosa serie Túneles, Will Burrows cae a toda velocidad por un insondable abismo, parece que las andanzas de nuestro joven héroe han llegado a su fin. ¡Pero todo lo contrario! Éste es sólo el principio de una nueva y terrorífica aventura donde Will tendrá que enfrentarse a nuevos y viejos enemigos en la búsqueda de su padre. Gigantescas arañas carnívoras, unos mortíferos y espantosos monstruos conocidos como relámpagos... y el mayor peligro de todos: dos idénticas gemelas styx que tienen muchas ganas de ajustar algunas cuentas pendientes.

En esta tercera entrega, Will deberá emprender un viaje trepidante y aterrador hacia las profundidades de la tierra que lo llevará al impresionante descubrimiento de una antigua civilización perdida.

La vida de Roderick Gordon y Brian Williams cambió para siempre después de la publicación de Túneles, novela a la que habían dedicado un gran esfuerzo. Descubierta por Barry Cunningham, editor de Harry Potter, Túneles se convirtió en un éxito internacional y está a punto de ser llevada al cine. De inmediato Roderick y Brian se pusieron a trabajar en la secuela, titulada Profundidades. Ahora, con la publicación de Caída libre, Gordon y Williams han creado con Túneles una de las sagas de aventuras más importantes de los últimos tiempos.
