Hidden Fire

Alexis Fleming

Hidden Fire Alexis Fleming

An Australian-set paranormal drawing on the Aboriginal Dreamtime in a hot, suspenseful series debut.

Gili Adams is willing to do anything to protect her parents, even travel to Australia in search of the mythical opal, the Dreamtime Fire. But her resolve is tested when she has to enlist the help of anthropologist Morgan Hunt, the Guardian of the opal and the man who once accused her of using her feminine wiles to steal a priceless artefact. She's faced with an impossible choice: lie to the man she never wanted to lose or risk her parents' lives.

Nothing can be allowed to stand in her way... not even her own heart. **Praise for HIDDEN FIRE:**

'This is a fun light Adventure read about the Aussie Outback and Aboriginal mythology. I would really recommend it.' — *Aussie Bookworm*
