## **Intra-Day Trading Tactics: Pristine.com's Strategies for Seizing Short-Term Opportunities (Wiley Trading)** Greg Capra

Short-term traders have used intra-day tactics to build wealth for years. Now Greg Capra shares his secrets in this book/DVD course package designed to energize your trading and arm you with the critical elements you need to make more money. You'll see how Capra pools an array of indicators, creating a single – profitable – trading protocol that will be used to make winning trades over and over. See him guide you through this methodical approach, then study his method thoroughly point by point in this carefully crafted set of instructional material.

Watch and read as Capra drives home the following critical points:

- The three foundational forms of intra-day trading
- The psychological demands you'll need to know to win big
- The need to define your financial plan; building wealth or gaining income
- The importance of mastering charts – 5 and 15 minute patterns
- The all-critical "tick indicator" – how to master it as a key timing tool

These are but a few of the points that Capra outlines in this comprehensive learning set. Use the book and the DVD to develop a working, hands-on knowledge of moving averages, risk limits through relative strength analysis, and targets that will position you for huge gains with minimum financial risk. This course will give you everything you need to achieve intra-day trading mastery.
