With the publication of *The New Negro* in 1925, Alain Locke introduced readers all over the U.S. to the vibrant world of African American thought. As an author, editor, and patron, Locke rightly earned the appellation "Godfather of the Harlem Renaissance." Yet, his intellectual contributions extend far beyond that single period of cultural history. Throughout his life he penned essays, on topics ranging from John Keats to Sigmund Freud, in addition to his trenchant social commentary on race and society.

The Works of Alain Locke provides the largest collection available of his brilliant essays, gathered from a career that spanned forty years. They cover an impressively broad field of subjects: philosophy, literature, the visual arts, music, the theory of value, race, politics, and multiculturalism. Alongside seminal works such as "*The New Negro*" the volume features essays like "*The Ethics of Culture*," "*Apropos of Africa*," and "*Pluralism and Intellectual Democracy*." Together, these writings demonstrate Locke's standing as the leading African American thinker between W. E. B. Du Bois and Martin Luther King, Jr.

The foreword by Henry Louis Gates Jr. and the introduction by

#### **Rosemarie Nicoll:**

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Works of Alain Locke (Collected Black Writings) can make you experience more interested to read.
