Digging Deeper: Discovering and Applying Life-Changing Doctrines from the Book of Mormon Robert Eaton

"Digging Deeper is fresh and very interesting. It's full of well-written insights and applications." — John Bytheway, author and speaker

The Book of Mormon is full of powerful teachings, but sometimes it feels challenging to find the practical applications that give those teachings added significance. The prophet Nephi rejoiced both in preaching doctrine and also in likening the scriptures to himself. Author Robert I. Eaton blends shrewd scriptural analysis with compelling personal stories to demonstrate how we all can make sure the principles in the Book of Mormon function as much more than abstract concepts. Delving deeply into both familiar and unsung stories, this highly accessible volume is sure to help readers get doctrines not only in their heads but into their hearts and lives.
