**Graveto E O Leão (Portuguese Edition)** Richard Stoker

Para se formar um feiticeiro, Graveto deve dirigir um leão faminto de uma jaula a outra. Então deve sobreviver ao ódio do irmão de magia e ao amor da Rainha da Lua.

Cansado de varinhas mágicas, olho de salamandra e receitas de magia?

Se os ingredientes realmente contém o poder, você está fazendo um experimento de química.

Talvez magos reais possam impor sua vontade sobre o mundo sem abracadabra.

No início do período Neolítico, as escolas de feiticeiros ensinam uma poderosa magia interior. Cantos e encantos podem enganar caçadores primitivos ignorantes e agricultores, mas não o rei das feras. No final, a sua força interior deriva do deus ou deusa ao qual serve.

Em A Rainha Da Lua, uma história muito curta para crianças muito pequenas, uma pobre menina que mora na floresta anda por todo o caminho para a cidade a fim de ver a Rainha da Lua, só para que a multidão de pessoas arrogantes da cidade impeça seu sonho e mande-a embora.

No entanto, longe dos orgulhosos e poderosos, ela conhece uma menina em uma carruagem que insiste que troquem de roupa, e ela nunca mais vê a mãe e o irmão mais novo outra vez.
