My Buckwild Adventures with Snoop Dogg Ken Francis

This book is about Ken Francis and his Buckwild lifestyle with Snoop Dogg. His adventures as the right hand man of one of the most influential rappers of all times.

Before there was Snoop Lion there was Snoop Dogg aka the Doggfather, one of hip hop's most iconic figures. And though the rap legend has rebranded and refocused his image, it is no secret that he made his mark by getting "buckwild." Film producer 'Pimpin' Ken Francis rolled exclusively with Snoop Dogg almost a decade ago, capturing and recording some of Snoop's most notorious moments in hip hop history via his trusty camera lens.

Now he reveals the fun, insanity and angst of those long gone days with his new book, "My BuckWild Adventures with Snoop Dogg - Touring the World, Popping Bottles with Models." Edited by Maxim Magazine research editor, Joel Randell, "My Buckwild Adventures with Snoop Dogg" is a tell all tale that encapsulates life on the road with one of hip hop's most celebrated characters. The smoke, the women, the music and the celebrities all come together in this face paced recount of what used to make the newly named lion roar!

With "My BuckWild Adventures with Snoop Dogg," Francis recalls those times and more, reliving first hand his experiences within the music industry and his life as Snoop Dogg's personal biographer. With never before published anecdotes about Magic Don Juan, Anna Nicole Smith, Ray J and Kim Kardashian, Leonardo DiCaprio, Bobby Brown and Whitney Houston to name just a few, Francis takes the reader on the road, in the green room, down the red carpet, behind the rope to VIP and around the world with insights and revelations about life with Snoop.
