**The Circular 230 Deskbook** from PLI helps tax practitioners comply with complex Circular 230 amendments more easily — and avoid costly penalties and sanctions.

**The Deskbook** shows you how to meet mandated duties applicable to six types of covered opinions; comply with critical requirements for written tax advice; carry out prescribed duties when advising in preparation of tax returns; satisfy reporting/list maintenance rules for six types of reportable transactions; qualify for "safe harbors" that free you from burdensome Circular standards, exploit proven defenses against the Code's § 6662 penalties, and avoid common errors that can trigger these § 6662 penalties.

The **Deskbook** brings you laminated, quick-reference compliance tools, including a Circular 230 written tax advice decision tree; a Circular 230 compliance chart for covered opinions highlighting exceptions and special rules; a Circular 230 compliance flow chart detailing affirmative duties and prohibited activities; a covered opinions compliance checklist; and a reportable transactions compliance flow chart.

Updated at least once a year, **The Circular 230 Deskbook: Related Penalties • Reportable Transactions • Working Forms** is an essential compliance tool for every tax professional who practices before the IRS.
