**How to profit from the events leading up to the likely collapse of the U.S. dollar**

Society is at a crossroads. Here at home and around the world, we are living in a manner that is absolutely, unconditionally, irrevocably unsustainable. *The Day After the Dollar Crashes: A Survival Guide for the Rise of the New World Order* outlines the kinds of events that could trigger a global economic collapse, describing in detail the events that are likely to occur just prior to, during, and immediately following such a total collapse. It also explains how investors can profit and support a sustainable future by anticipating social trends.

- Describes what government can do now to soften the dollar's fall later
- Details how to lead the charge to introduce innovations and solutions to meet the inevitable challenges of new kinds of economic forces
- Reveals how to profit by changing expectations and taking action to align investments with reality

*The Day After the Dollar Crashes* tears away the illusions generated by politicians, media, and the financial industry to show how investors can position themselves to survive and thrive in a New World Order.
