The Constitution of India Republic of India

The Constitution of India is a living document, an instrument which makes the government system work. Its flexibility lies in its amendments. In this edition, the text of the Constitution of India has been brought up-to-date by incorporating therein all amendments made by Parliament up to and including the Constitution (Ninety-fourth Amendment) Act, 2006. The footnotes below the text indicate the Constitution Amendment Acts by which such amendments have been made.
