### **The Strain #2** David Lapham

"As an eclipse covers New York City in midday darkness, Dr. Ephraim Goodweather and his team from the Centers for Disease Control struggle to find an explanation for what happened to flight 753. But when the symptoms don't add up to chemical warfare, and bizarre circumstances unexplained by modern medicine arise, Ephraim begins to entertain the ramblings of a Holocaust survivor who knows too much about this unknown threat. Based on the vampire novels from Guillermo del Toro and Chuck Hogan (Prince of Thieves)! Adapted by David Lapham (Stray Bullets) and artist Mike Huddleston (Butcher Baker, the Righteous Maker)! ""After conquering the film, TV and novel world, multihyphenate Guillermo del Toro set his sights on his childhood love: comic books." "Variety"
