A Brief History of Chocolate

Steve Berry, Phil Norman

A Brief History of Chocolate Steve Berry, Phil Norman

An illustrated guide to chocolate that every self-respecting chocoholic should read.

Do you remember when a Snickers was a Marathon? And when you could burst in to a sweet shop and ask for 'an Oliver Twist, two Tiffins and a Big Wig, please!' and keep a straight face? Those were the good days: when a Dairy Milk bar was 22p and you'd never seen anything as big as a Wagon Wheel.

Revisit some of your forgotten favourites and current addictions, as Steve Berry and Phil Norman take you on a tour of cocoa's finest moments. Fully illustrated with hundreds of wrappers, ads and pack shots, 'A Brief History of Chocolate' brings together research from the archives, factories and warehouses of some of the leading chocolate manufacturers in the country to create a book that is packed full of fascinating historical research...

... and lots and lots of chocolate.

Warning: may contain nuts

A 'Brief History of Chocolate' originally featured in 'The Great British Tuck Shop', the ultimate book of sweetie nostalgia.
