Circle of Lies Douglas Alan

Circle of Lies is a hot new thriller from newcomer Douglas Alan, featuring John Delaney, an ex-NYPD detective turned lawyer and his lovely wife Katherine Adams, a tough but sexy Atlanta lawyer who gives as good as she gets. They're an unstoppable team with a love of adventure but no love for the bad guys.

Delaney is asked to defend Ted Jordan, a childhood friend who has been arrested for the torture and murder of his law partner. Jordan adamantly maintains his innocence but the police have traced his fingerprints to the dead man's house and a half-million dollars to his bank account. On his way to interview Jordan at the jail, Delaney is approached by a mysterious woman who identifies herself as Ted's friend. She offers to post his bond and warns Delaney to be careful if anyone from the Tissingier Corporation contacts him in connection with the case.

Ted insists he has been set up by Tissingier because he accidentally stumbled onto data showing they deliberately concealed information about suicides in a test group for their latest depression medication.

As Delaney and Adams start to dig, they are confronted by an NSA agent who tries to warn them off. When a second dead body is found in Jordan's condominium and Jordan disappears they are left with more questions than answers. But Delaney isn't someone who takes no for an answer and he and Katherine will stop at nothing to find the truth.

From reader reviews:

John Frank:

In this 21st hundred years, people become competitive in each way. By being competitive currently, people have do something to make them survives, being in the middle of the particular crowded place and notice by surrounding. One thing that occasionally many people have underestimated it for a while is reading. That's why, by reading a publication your ability to survive raise then having chance to remain than other is high. For you who want to start reading the book, we give you this Circle of Lies book as nice and daily reading publication. Why, because this book is more than just a book.

Hal Clemens:

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is within the former life are hard to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you have the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Circle of Lies as your daily resource information.

Ann McLemore:

Are you kind of active person, only have 10 as well as 15 minute in your time to upgrading your mind expertise or thinking skill even analytical thinking? Then you are having problem with the book compared to can satisfy your short period of time to read it because pretty much everything time you only find reserve that need more time to be read. Circle of Lies can be your answer given it can be read by anyone who have those short free time problems.

Mildred Kershner:

Do you like reading a book? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many problem for the book? But virtually any people feel that they enjoy regarding reading. Some people likes examining, not only science book and also novel and Circle of Lies or others sources were given understanding for you. After you know how the truly great a book, you feel wish to read more and more. Science guide was created for teacher or maybe students especially. Those books are helping them to bring their knowledge. In different case, beside science publication, any other book likes Circle of Lies to make your spare time a lot more colorful. Many types of book like this.
