Darkness, Tell Us Richard Laymon

It started as a game. Six college kids at a party. Then someone suggested they try the Ouija board. The board that Corie had hidden in the back of her closet and swore never to touch again. Not after what happened last time. Not after Jake's death...

They were only playing around, but the Ouija board worked, all right. Maybe too well. A spirit who called himself Butler began to send them messages—and make demands. Butler promised them a hidden treasure if only they would follow his directions and head off to a secluded spot in the mountains...a wild, isolated spot where anything could be waiting for them. Treasure or death. Or Butler himself.
