Handbook of Family Therapy: The Science and Practice of Working with Families and Couples Mike Robbins, Tom Sexton, Gerald Weeks

This new *Handbook of Family Therapy* is the culmination of a decade of achievements within the field of family and couples therapy, emerging from and celebrating the dynamic evolution of marriage and family theory, practice, and research. The editors have unified the efforts of the profession's major players in bringing the most up-to-date and innovative information to the forefront of both educational and practice settings. They review the major theoretical approaches and break new ground by identifying and describing the current era of evidence-based models and contemporary areas of application. The *Handbook of Family Therapy* is a comprehensive, progressive, and skillful presentation of the science and practice of family and couples therapy, and a valuable resource for practitioners and students alike.
