*Luke's toughest fight yet is for his family*

In the Special Forces, Luke Brown trained for the harshest of war situations; pity there's no training for being a husband and father. After two years away, he wasn't expecting his wife to welcome him open-armed, but he wasn't anticipating divorce papers either.

When she sees him standing on her doorstep in his immaculate uniform, Olivia longs to feel her handsome husband's strong arms around her. But raising their son has been tough, and watching little Charlie fall in love with a dad who might leave again is terrifying.

Luke doesn't want to walk away again—and he's determined to win back his wife and child!
