Practical Theology and Qualitative Research

John Swinton

Practical Theology and Qualitative Research John Swinton

Practical Theology used to be a subject where students were left to fend for themselves, using what they had learnt from their scholarly studies in history, biblical and systematic theology and applying it where they could. Things have moved on however and practical theology is a growing discipline in its own right, and the latest thinking in practical theology; of how to use theological learning in practical situations, is fully explored in this textbook.
