Something Red: A Novel Douglas Nicholas

From debut author Douglas Nicholas comes a haunting story of love, murder, and sorcery.

During the thirteenth century in northwest England, in one of the coldest winters in living memory, a formidable yet charming Irish healer, Molly, and the troupe she leads are driving their three wagons, hoping to cross the Pennine Mountains before the heavy snows set in. Molly, her lover Jack, granddaughter Nemain, and young apprentice Hob become aware that they are being stalked by something terrible. The refuge they seek in a monastery, then an inn, and finally a Norman castle proves to be an illusion. As danger continues to rise, it becomes clear that the creature must be faced and defeated—or else they will all surely die. It is then that Hob discovers how much more there is to his adopted family than he had realized.

An intoxicating blend of fantasy and mythology, *Something Red* presents an enchanting world full of mysterious and fascinating characters— shapeshifters, sorceresses, warrior monks, and knights—where no one is safe from the terrible being that lurks in the darkness. In this extraordinary, fantastical world, nothing is as it seems, and the journey for survival is as magical as it is perilous.
