The Faerie Ring Kiki Hamilton

Debut novelist Kiki Hamilton takes readers from the gritty slums and glittering ballrooms of Victorian London to the beguiling but menacing Otherworld of the Fey in this spellbinding tale of romance, suspense, and danger.

The

year is 1871, and Tiki has been making a home for herself and her family of orphans in a deserted hideaway adjoining Charing Cross Station in central London. Their only means of survival is by picking pockets. One December night, Tiki steals a ring, and sets off a chain of events that could lead to all-out war with the Fey. For the ring belongs to Queen Victoria, and is really a reservoir which holds a truce binding the rulers of England and the realm of Faerie to peace. With the ring missing, a rebel group of faeries hopes to break the treaty with dark magic.

Unbeknownst to Tiki, she is being watched by Rieker, a fellow thief who suspects she is involved in the disappearance of the ring. Rieker has secrets of his own, and Tiki is not all that she appears to be. Her very existence haunts Prince Leopold, the Queen's son, who is driven to know more about the mysterious mark that encircles her wrist.

At the publisher's request, this title is being sold without Digital Rights Management software (DRM) applied.

From reader reviews:

Edward Apodaca:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is within the former life are challenging to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take The Faerie Ring as your daily resource information.

Fabian Luton:

Reading a guide can be one of a lot of activity that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new information. When you read a reserve you will get new information mainly because book is one of numerous ways to share the information as well as their idea. Second, reading through a book will make an individual more imaginative. When you examining a book especially fiction book the author will bring you to definitely imagine the story how the personas do it anything. Third, you are able to share your knowledge to other individuals. When you read this The Faerie Ring, you are able to tells your family, friends and soon about yours reserve. Your knowledge can inspire others, make them reading a book.

John Ashcraft:

Reading a book tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the story that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this The Faerie Ring.

Jeanne Pratt:

The reason why? Because this The Faerie Ring is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content interior easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.
