At All Costs: How a Crippled Ship and Two American Merchant Mariners Turned the Tide of World War II Sam Moses

In this gripping, page-turning account, Sam Moses has told a story in the tradition of Sebastian Junger's *A Perfect Storm*, Robert Kurson's *Shadow Divers*, and Hampton Sides's *Ghost Soldiers*. It's a story about the heroism of two men in battle at sea during World War II, and one woman fleeing Nazi Norway with her child. It's about how courage can change the course of history.

AT ALL COSTS: How a Crippled Ship and Two American Merchant Marines Turned the Tide of World War II is the astonishing untold account, with original historical reporting, of how two men faced unfathomable danger to help save the island of Malta, Churchill's crux of the war.

In 1942, the tiny island of Malta was the most heavily bombed place on earth. Hitler needed Malta as a stepping-stone to get to the oil in Iraq and Iran (Persia at the time). Blockaded by sea, Malta was running on empty, in food, fuel and ammunition. Axis U-boats and dive-bombers made supply convoys to Malta more like suicide missions. In this last-hope convoy, 50 warships escorted 13 freighters carrying aviation fuel, and a single critical tanker, the *SS Ohio*, with 107,000 barrels of oil from Texas. Winston Churchill had traveled to Washington and asked FDR for the tanker—his prime ministership was at stake over this mission to Malta.

Relentlessly dive-bombed and repeatedly torpedoed, the *Ohio* suffered huge hits and was abandoned. Two young American merchant mariners—pulled from the sea after their own ship went down in flames—boarded the ravaged tanker, repaired her guns and fought off German and Italian dive-bombers, as the sinking *Ohio* was towed at 4 knots toward Malta with a tiny crew of volunteers.

Sam Moses' AT ALL COSTS is a triumphant story of human bravery: fearless, selfless acts by men determined to save a ship and win a war; profound communal courage from an island under brutal siege; and leaders who understood the cause of freedom.

Loretta Yoder:

Is it an individual who having spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This At All Costs: How a Crippled Ship and Two American Merchant Mariners Turned the Tide of World War II can be the reply, oh how comes? It's a book you know. You are therefore out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

Harry Cofield:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this At All Costs: How a Crippled Ship and Two American Merchant Mariners Turned the Tide of World War II can make you sense more interested to read.
