Jane Austen

Pride and Prejudice: Illustrated Jane Austen

Pride and Prejudice is a novel by Jane Austen, first published in 1813. Contains illustrations by C. E. Brock.

The story follows the main character Elizabeth Bennet as she deals with issues of manners, upbringing, morality, education, and marriage in the society of the landed gentry of early 19th-century England.

Elizabeth is the second of five daughters of a country gentleman living near the fictional town of Meryton in Hertfordshire, near London.

Though the story is set at the turn of the 19th century, it retains a fascination for modern readers, continuing near the top of lists of 'most loved books' such as The Big Read. To date, the book has sold some 20 million copies worldwide.

Jane Austen (1775-1817) was an English novelist whose works of romantic fiction, set among the landed gentry, earned her a place as one of the most widely read writers in English literature. Her realism and biting social commentary has gained her historical importance among scholars and critics.
