Suturas: Imágenes, escrituras, vida (Spanish Edition) Daniel Link

Última entrega de la trilogía que comenzó con *Clases* y continuó con *Fantasma*, *Suturas* interroga la situación de lo viviente hoy. Las sociedades ya no pueden pensarse como sociedades políticas, son algo completamente nuevo –señala Link–, y eso obliga a inventar una nueva terminología y un nuevo pensamiento. Link interroga así lo viviente a partir, por ejemplo, de los archivos digitales: la nueva revolución de los patrones de lectura y, por lo tanto, de alfabetización (una “nueva filología”), que supondría lo digital. A esos nuevos modos de leer los denomina posfilología y diagramatología.

Un ensayo monumental, de uno de los críticos literarios más importantes de Latinoamérica, que nos lleva desde la filología a la biopolítica, para explorar la sutura (la marca de una herida) entre la antigua cultura letrada y lo que hoy llamamos ciberculturas; el desplazamiento de los nombres y los cuerpos cuando una singularidad histórica impone su lógica al mundo, así como el punto de sutura entre el propio cuerpo, la escritura y las imágenes del mundo.
