## **Write Tight: Say Exactly What You Mean with Precision and Power** William Brohaugh

"These days, most creative-writing courses teach self-indulgence. Write Tight counsels discipline. It is worth more than a university education. Its advice is gold." -Dean Koontz

Foreword by Lawrence Block

Not since *The Elements of Style* has a writing guide had the ability to turn a writer's work around so effectively. Every writer struggles with keeping their prose focused and concise, but surprisingly few books address this essential topic. *Write Tight* is an informative and utterly readable guide that tackles these issues head-on.

William Brohaugh, former editor of *Writer's Digest*, goes beyond the discussion on redundancy and overwriting to take on evasiveness, affectations, roundabout writing, tangents and "invisible" words. Other topics include:

- Outlining the four levels of wordiness
- Identifying 16 types of flabby writing
- Exercises that help writers avoid wordiness
- Streamlining through sidebars and checklists
- Tests that show how concise a writer's prose is

"*Write Tight* is a supremely valuable, 'must-have' for aspiring writers in all fields from prose to nonfiction, journalistic copy, screenwriting and so much more." -Midwest Book Review
