The investment analysts at Newsmax Finance scoured the documents of Buffett's holding company, Berkshire Hathaway, and investigated what Buffett is saying about the companies that he's investing in. Based on this, our analysts picked from Buffett's stock portfolio the “5 best dividend stocks” to invest in. They found the stocks that offered higher-than-usual dividend income and had not fully appreciated, making these newer additions to the investment mogul's portfolio extraordinary picks.

These 5 stocks should be the core holdings for investors looking to weather any storm and significantly build their wealth along the way. This 27-page report also gives an investment survival guide to navigate the tough times ahead as our nation faces the threat of massive inflation due to the Federal Reserve's quantitative easing programs.
