From Book 1:

Ellery Colvard escapes her perfectly organized life for a camping trip with her friends, hoping for a tiny thrill. She'll settle for a distraction, but instead she gets swept off her feet. Literally.

Alpha were-cougar Mason Foye needs a mate, even if he has to resort to drastic measures to get one. But when he and his brothers sweep up Ellery and her friends, the last thing he expects is a woman with a nasty bite of her own. Not only does Ellery know all about shifters, she's got magic. In fact, the little witch is a bit scary. What's more, Ellery isn't convinced fated mates exist.

If Mason can't persuade Ellery that they're destined for a life of excitement together, he's doomed to spend the rest of his days in his cougar form - without his son, his family, or the woman he's already fallen for head over heels.
