## **My China Journal** Sharon Arvie

**My China Journal** is a book about author Sharon Arvie's experience of traveling to China. Although she had traveled to several different countries, the People's Republic of China was one of her most unique experiences. What made this trip so unique was the receptiveness of the people, their willingness to share their culture and most of all their increasing love of God. She is hoping that readers will enjoy reading about her journey to the People's Republic of China, just as much as she enjoyed writing this journal.
