Still Going It Alone Michele Howe

Michelle Howe addresses issues common to women who have been at the task of single parenting year in and year out, women who may be facing the prospect of sending their children off to college, to a distant career site, or to be married. Mothers must continue to fulfill their constantly shifting parental role at the crossroads of the single parent home and the empty nest, balancing the need to continue caring for themselves as well as their children with wise financial planning and career re-assessment. Each single mom understands they may never re-marry, that growing old and retiring alone is a very real possibility. For many, the uncertainty of the future looms darkly. This resource provides a light of practical hope and continually redirects women to the source of all comfort: God and His word.
