What would happen to us if we ONLY READ the RED for 50 days? Major parts of the New Testament are written in red. Whenever the words are in red it means those were the words that Jesus actually spoke while he was on this earth. AMAZING! This devotion does not negate the rest of the Bible but it poses a challenge: What if we only read the words of Jesus? How would it change our life? Would we think different, act different and change the way we treat others? WHAT COULD POSSIBLY HAPPEN? Jesus spent 40 days on earth after he was resurrected, sharing His new way of ministry! Then He breathed on the disciples and told them to receive the Spirit. Right before He ascended to heaven, he said to wait! Wait that I will give you something that's going to help you... The Holy Spirit. They spent 10 days waiting...which equals to 50 days. Join us and take a 50 day journey and get WIRED!
