Melina Markowitz, messenger for the underworld, delivers the goods for the supernatural beings in our midst—no questions asked. It's more than a job; it's a mission. Safety be damned.

Melina's missing friend, Paul, could just be taking a little werewolf "me time," but her investigation yields something more sinister. Suspicions first fall on Paul's wolf-pack rival. But that wouldn't explain the sudden windstorms rattling Melina's nerves—or the ominous, shrieking crows that keep appearing.

The clues lead Melina to a mermaid, a damaged and possibly deranged police officer and patterns for Norwegian doilies—finally bringing her to the realization that she may be dealing with the most powerful enemy she has ever faced.
