Going Astray Christine Moore

Laura and Malcolm are everyday people whose lives are turned upside down when the church community they sign into becomes more and more un-Christlike in its behaviour. When her toddler's life is risked by the church leaders, Laura knows she has to escape. But already the community has become a prison, and she becomes more and more frantic in the struggle against her husband's and son's disinterest in leaving, her growing attraction to another man, and her confusion about basic Christian gifts of the Spirit. Faced with decisions that will rip apart her family, Laura acts: but her breathtaking struggle to escape tears apart the family, as this story of betrayal builds to a terrifying climax.
