## **Harlem in the Twentieth Century (American Heritage)** Noreen Mallory

Harlem is one of the best-known neighborhoods in the U.S., and it's also one of the nation's most vibrant cultural hubs. Though its reputation has been tarnished at times by economic depressions and crime, its loyal community has created a unique history and culture. Much of this history took place during the twentieth century, which included an influx African American residents, an unparalleled artistic, literary and musical movement known as the Harlem Renaissance, deteriorating economic conditions, and finally a thrilling resurgence. This new book presents the grand story of Harlem's twentieth century history as never before.
