Anna Banks

Of Triton (The Syrena Legacy Book 2) Anna Banks

Emma has just learned that her mother is a long-lost Poseidon princess, and now struggles with an identity crisis: As a Half-Breed, she's a freak in the human world and an abomination in the Syrena realm. Syrena law states all Half-Breeds should be put to death.

As if that's not bad enough, her mother's reappearance in the Syrena world turns the two kingdoms—Poseidon and Triton—against one another. Which leaves Emma with a decision to make: Should she comply with Galen's request to keep herself safe and just hope for the best? Or should she risk it all and reveal herself—and her Gift—to save a people she's never known?

Once again, Anna Banks infuses Emma and Galen's points of view with humor, intrigue, and waves of romance.
