This early work is a fascinating guide to fowl that is a thoroughly recommended title for the amateur and professional poultry keeper's bookshelf. Extensively illustrated with diagrams, drawings and photographs, its 492 pages are an A to Z of domestic fowl breeds. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
