## **The Rules of Gentility** Janet Mullany

Regency heiress Philomena Wellesley-Clegg has rather strong opinions about men and clothing. As to the former, so far two lords, a viscount, and a mad poet have fallen far short of her expectations. But she is about to meet Inigo Linsley, an unshaven, wickedly handsome man with a scandalous secret. He's nothing she ever dreamed she'd want—why then can she not stop thinking about how he looks in his breeches?

A delightful marriage of *Pride and Prejudice* with *Bridget Jones's Diary*, Janet Mullany's *The Rules of Gentility* transports us to the days before designer shoes, apple martinis, and speed dating—when great bonnets, punch at Almack's, and the marriage mart were in fashion—and captivates us with a winsome heroine who learns that some rules in society are made to be broken.

#### **Jason Ayers:**

Is it anyone who having spare time subsequently spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This The Rules of Gentility can be the answer, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these publications have than the others?

#### **Tony Partee:**

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Rules of Gentility can make you truly feel more interested to read.
