**The Temple of Shamanic Witchcraft: Shadows, Spirits and the Healing Journey (Penczak Temple Series)** Christopher Penczak

Is shamanism all that different from modern witchcraft? According to Christopher Penczak, Wicca's roots go back 20,000 years to the Stone Age shamanic traditions of tribal cultures worldwide. A fascinating exploration of the Craft's shamanic origins, *The Temple of Shamanic Witchcraft* offers year-and-a-day training in shamanic witchcraft.

Penczak's third volume of witchcraft teachings corresponds to the water element - guiding the reader into this realm of emotion, reflection, and healing. The twelve formal lessons cover shamanic cosmologies, journeying, dreamwork, animal/plant/stone medicine, totems, soul retrieval, and psychic surgery. Each lesson includes exercises (using modern techniques and materials), assignments, and helpful tips. The training ends with a ritual for self-initiation into the art of the shamanic witch - culminating in an act of healing, rebirth, and transformation.
