Joseph Brodsky

Del dolor y la razón (El Ojo del Tiempo) (Spanish Edition) Joseph Brodsky

En esta diversa y rica colección de ensayos, Joseph Brodsky dedica una mirada reflexiva a sus tempranas experiencias de vida en Rusia y posterior exilio en Estados Unidos. Dando prueba de una extraordinaria erudición, Brodsky explora en esta obra temas tan variados como la dinámica de la poesía, el arte de la lectura, la naturaleza de la historia y las dificultades que asolan al escritor émigré. Incluye también el hilarante relato de un desastroso viaje a Brasil, consejos a sus alumnos, un homenaje a Marco Aurelio, y estudios sobre Robert Frost, Thomas Hardy, Horacio y otros autores y pensadores que merecieron su estudio y atención. Asimismo recoge íntegro el discurso que pronunció en la ceremonia de entrega del Premio Nobel de 1987, titulado «Inusual semblante», en el que parafraseando a Ajmátova afirma que: «El verso crece en verdad de la basura; y las raíces de la prosa no son más honorables».
