English Standard Version: Solo New Testament

The ancient practice of *lectio divina*, or “divine reading,” teaches how to read through Scripture, think about the passage of Scripture, pray through the Scripture, and then go out and live Scripture. Using these four elements in a devotional style, and featuring readings from the English Standard Version, *Solo* teaches readers how to listen to what God is telling them through His Word. Those who study God’s Word in this way learn a new way to communicate with Him daily. Featuring 162 undated devotions, and encouraging the practice of *lectio divina* in the reader’s devotional time, the *Solo* devotional from NavPress uses the English Standard Version.
