**Jazz** Henri Matisse

**This selection from Matisse's masterpiece is available again to coincide with the major Cut-Outs exhibitions at The Tate and MoMA in 2014.**

Late in his life, confined to a chair or bed, Matisse transformed a simple technique into a medium for the creation of a major art. "I have attained a form filtered to its essentials." Cutting dynamic shapes from painted paper, Matisse created his images. While producing pieces for *Jazz*, the artist used a large brush to write notes to himself on construction paper. The simple visual appearance of the words pleased Matisse, and he suggested using his reflective handwritten thoughts in juxtaposition with the images. The original edition of *Jazz* was an artist's book, printed in a limited quantity. This selection from the original is an exquisite suite of color plates and text that, like the music it was named for, was invented in a spirit of improvisation and spontaneity. These magnificent cut-outs of pure color celebrate the radiance and emotional intensity of the artist's oeuvre. Full color illustrations throughout
