A los trece años, Núñez de Balboa era un muchacho conflictivo, siempre metido en líos en su pueblo natal, Jerez de los Caballeros. Su madre había muerto hacía unos años y la relación con su madrastra no era buena. El padre, un hidalgo sin hacienda, acaba por buscarle un empleo al servicio de don Pedro Portocarrero, en Moguer, lo que le serviría para instruirse en el manejo de la espada y sería la forja del gran descubridor. En Palos conoce a Colón, un marinero que prepara un viaje hacia las Indias. Le predice su futuro y le invita a ir con él. Pero Vasco no desea traicionar a su señor hasta que en 1501, Portocarrero está enfermo y le anima a embarcar hacia las Indias, en la expedición de Rodrigo de Bastidas. La pasión de Balboa narra su llegada a tierras panameñas, las relaciones de los primeros españoles que allí arribaron con los nativos y las costumbres y ambientes de España y América en el siglo XVI. Balboa fue estratega, soldado, granjero y su historia de amor con la bella india Anayasi acabó por costarle la vida y su vida bien merece una novela.
