What Zombies Fear 4: Fracture Kirk Allmond, Laura Bretz

A post-apocalyptic train, rogue military units, family tension, dissention in the ranks, a world full of zombies and a four year old boy.

Victor Tookes already has his hands full as he heals from the injuries of Atlanta. Now, with no ammunition and half the country to cross, He's faced with a choice. Stop for ammunition, or continue on, hoping they don't run into any more trouble. It's an obvious choice for Vic. The heroes need to find a large ammunition storage facility.

This fourth installment picks up exactly where The Gathering left off. John's wife and children are flying in from Australia aboard a hijacked military aircraft. Victor and his post-apocalyptic crew continue their trek across the zombie-filled country to meet John's family.

It takes all the heroes can muster to overcome the depths of human depravity and make it in time to clear the runway for the plane. Do the heroes have what it takes? Will they break under the strain?
